### October 3 - 8 is Customer Appreciation Week!

Thank YOU for choosing Altius for your family fitness activities! Our customer appreciation week will feature student door prizes, complimentary refreshments, and over \$1000 in free tuition giveaways!

### Student Progress Tracking with MySkillChart.com

Altius no longer sends home paper progress reports! Instead, coaches rate student skills on an ongoing basis using MySkillChart.com. If your child was enrolled since March of 2016, their skill chart follows them into the new session. We are currently updating MySkillChart with the 16-17 Session enrollment information. Log on starting October 1st to view your child's chart.

Coaches follow biweekly lesson plans and rate skills when indicated. Progressive gymnastics students are promoted when they achieve a 4 star rating on 75% of the skills in their level. Many of the skills on MySkillChart are accompanied by a video showing the skill performed with mastery; simply click on the YouTube icon next to the skill name.

Kindergym students are promoted based on age & emotional readiness. Altius sends a promotion certificate & ribbon in the mail when a child is ready for the next level.

Join over 150 Altius ticket holders (and counting) at the Bradley Center on October 14! Group ticket pricing available through Altius until September 24th.
