Don't wait until the last minute... register today!

My Skill Chart Update

Coaches are currently updating student skill ratings for the final time this school year. Log in to your child's chart by clicking the MySkillChart icon on the Altius homepage. You can also download the myskillchart.com app for iphones on the app store. When you sign up for classes in summer and the school year, your child's skill chart information will transfer to their new class! Coaches will continue to update student charts instead of using paper progress reports. Thank you for your cooperation as we continue to streamline the myskillchart.com process!

Passwords & account access: Request a new password from the login portal if you can't log into your account. Please allow up to 24 hours for a new password to be emailed.

Expo Week is June 6 - 11!

Our annual Altius Expo Week is fast approaching. Students and coaches are hard at work memorizing routines & perfecting skills to demonstrate for their families and friends. The complete Expo Week schedule is on page 3 of this newsletter. Students attend on their regular class day, but some times are slightly changed.

Kindergym students will perform on four circuits in the back of the gym. A special seating area will be set up in the beam area for up close viewing. Progressive gymnastics students will perform on vault, bars, beam, floor and boy's equipment. Cheer Fundamentals students will perform their tumbling, stunting, and a group routine. Additional seating will be provided near the bleachers for gymnastics and cheer viewing.

All Expo performances end with a trophy presentation and an opportunity to take group and individual pictures. Remember to bring your camera! Some evening sessions will include a tumbling demonstration by Altius Team gymnasts and the coaches.

Family and friends are invited to attend. Admission is free. Please remember that only participating Altius students are allowed on the equipment. Siblings should be closely supervised in the waiting area.

Kellogg's Tour of Gymnastics Champions coming to the Bradley Center!
